Dearness Allowance

1 Grant of -- to whole-time daily rated staff.

GOVERNMENT OF BOMBAY.

FINANCE DEPARTMENT.

Resolution No. 174.

Bombay Castle, 20th March 1942.

RESOLUTION OF GOVERNMENT.

Government has had under consideration the question of extending the concession of dearness allowance to whole-time daily-rated staff and is now pleased to issue the following orders in regard to the above category of employees:—

(i) If the average of the Bombay City cost of living index for any three consecutive months is 130 or above, then in regard to the month following, and that month only, an allowance at the rate of 2 annas per working day, subject to a minimum of Rs.3 per mensem should be granted to those whose wages calculated for a full month, are within the limits laid down in clauses (i) and (ii) of Government Resolution No. 174 dated 19th March 1942.

(ii) If the average of the Bombay City cost of living index for any three consecutive months is less than 130 but not less than 117 then in regard to the month following, and that month only, an allowance at the rate of 1 anna and 3 pies per working day, subject to a minimum of Rs.2 per mensem should be granted to those whose wages, calculated for a full month, are within the limits laid down in clauses (i) and (ii) of Government Resolution No.174 dated 19th March 1941.

2. The allowance will be admissible only if the daily rates of pay do not already allow for a higher cost of living arising from war conditions i.e. the allowance will not be admissible to those whose rates of pay have been increased since the war on account of the rise in prices.

3. These orders should take effect from 1st March 1942, i.e. the allowance will be admissible for the first time in respect of wages earned during March and paid in April. As the average of the cost of living index figures for the three months ending with February 1942 was over 130 the rate of allowance and pay limits will in respect of the allowance for March payable in April be those specified in clause (i) of paragraph 1 above. Heads of Departments are informed that the allowance may continue to be paid at this rate until further notice without specific authority each month.

Subject: Incidence of pay and allowances.

Sir,

I am directed to refer to Correction slip No. 17 to the Account Code, Volume I, dated the 2nd June 1941, which limits the liability of a Provincial Government for the pay and allowances of a British Service Officer whose unit is not represented on the Indian establishment and who is supernumerary on vacating an appointment on the personal staff of a Governor of a Province or any other staff or extra regimental appointment under the Provincial Government to the date of the Officer's disembarkation in the United Kingdom as opposed to the date of the Officer's absorption into the establishment of his regiment. This amendment, as explained in this Department's letter No.D. 6529-F/41, dated the 18th July 1941, followed an agreement reached between the Government of India and the war office. It appears, however, that this agreement proposed to limit a Provincial Government's liability upto the date of the Officer's disembarkation in the United Kingdom or to the date of his disembarkation at any Imperial station to which he may be posted and not to the former alone. I am therefore to enquire whether the Provincial Government have any objection to a consequential amendment being made to rule 8 of the part B I of Appendix 3 to the Account Code, Volume I, as in the draft correction enclosed.

I have the honour to be,
Sir,
Your most obedient Servant,

Mr.S.L.Chaudhari, Senior Asstt.

It appears that he has ceased to reside at Poona from 23rd Sept.1941. The house rent allowance admissible to him under rule 14 of Appendix XVIII-C, B.C.S.R., Vol.II, is Rs.125/- instead of the full amount of Rs.250/- drawn in advance under rule 13. The amount of Rs.125 drawn in excess should therefore please be recovered and credit pointed out.

2. Although Mr. Chaudhari was entitled to officiate as Personal Assistant to the Remembrancer of Legal Affairs, in the interests of administrative convenience in this Department, he continued to reside in Poona under the orders of the Secretary, Legal Department. Mr. Chaudhari actually came to Bombay on the 2nd November 1941 with Government after completing the required period of 4 months' stay in Poona. The question of recovery of excess house rent does not therefore arise.

Submitted with pp.

The Accountant General, Bombay, has further raised an objection that Mr. Chaudhari officiated as P.A. to R.L.A. from 25-9-1941 to 31-10-1941 and as the House Rent and Local Allowance mentioned in rule 12 of App.XVIII to B.C.S. R.Vol.II are not admissible to P.A. the amount of Rs.125 out of the House Rent allowance of Rs.250 drawn in excess together with local allowance if any for the above period should be recovered and credited to Govt.

In this connection attention is invited to office note dated 17-1-1942 on pp.[illegible] ante and the reply sent to A.G. The A.G. still insists upon the recovery of the house rent plus the local allowance drawn by Mr. Chaudhari.

Although Mr. Chaudhari was officiating as P.A. in the interests of administrative convenience of this Dept. he continued to reside in Poona under the orders of Secy.,L.D. Perhaps the F.D. may be requested to waive the recovery of the house rent and local allowance drawn by Mr. Chaudhari for the period he officiated as P.A. to R.L.A.

Sd/....20/3.

Supdt.

The facts are that though

Mr. Chaudhari was appointed to be P.A. , he was to be in charge of B Branch and was to do the work as S.A.S(Pl. see para 5 of Order dated 25-9-41).

2. The S.A.S. was supposed to be in Poona under the Rules. Mr. Chaudhari should therefore as doing S.A.S's work continue to be eligible to get the allowance admissible to the S.A.S. under the Hill Allowance Code.

3. Perhaps A.G. may be informed of this before going to F.D. for writing off the amounts already drawn. The amounts in question are Rs.125/- as House Rent and Rs.136/- as Local Allowance. It may also be stated that both these amounts Mr. Chaudhari would have been entitled to draw if he was not to officiate.

Sd/.....26/3.

S.A.S. I doubt if a strong case can be made out for non-return of the local allowance since as P.A. Mr. C haudhari has drawn the allowance attached to it. As regards, house rent I think that a case can be made out and as he was in Poona & continued to be in Poona & he must have spent the amount. Perhaps a case on these lines may be made for house rent A self contained note will have to be prepared

for F.D. this may be done by ~~xxx~~ Mr. David in consultation with Mr. Chaudhari after obtaining full particulars in the matter.

The A.G. has objected to my drawing full house rent allowance and the local allowance from 25.9.1941 to 31.10.1941 on the ground that I was officiating as P.A. during that period and has asked me to refund Rs. 125(out of the local house rent allowance of Rs.250) and the local allowances drawn by me for the aforesaid period. It is true that as pointed out by the A.G. I officiated as P.A. from 25.9.1941 to 31-10-1941 but I continued to mgr stay in Poona during that period in the interests of administrative convenience. Throughout the period I had to incur extra expenditure on account of house rent and other items and if I am asked to refund the allowances merely on the technical ground that I officiated as P.A. for a short period of a month and over it would result in a great hardship to me. I therefore request that the F.D. may be asked to waive the technical objection and allow me the house rent and the local allowances already drawn by me.

The Accountant General, Bombay, has raised an objection that as Mr. Chandhuri ceased to reside at Poona from 23rd September 1941 the house rent admissible to him under Rule 14 of the Appendix XVIII B.C.S.R.Volume II is Rs. 125/- instead of full amount of Rs.290/- drawn in advance under rule 13 and requests that the amount of Rs. 165/- drawn in excess together with local allowance of Rs. 196/- should therefore be recovered and credit pointed out.

Mr. Chandhuri was appointed to officiate as Personal Assistant to the Remembrancer of Legal Affairs vice Mr. Mardeshwar with effect from 25th September 1941 and continued to reside in Poona 2 as Personal Assistant as per orders of Secretary in the interest of administrative convenience. His stay lasted for a period of four months.

Mr. Chandhuri had to incur extra expenditure on account of house rent and other items throughout the period and if he is asked to refund the amount merely on the technical ground that the officiated as Personal Assistant for short period of a month and over it would result in a great hardship to him. According to rule 1, part I of Appx. XVIII, the allowances are admissible to the R.L.A. and his establishment. It seems the P.A. should be considered as part of the R.L.A. 's estabt. If this view is correct, then Mr. Chaudhari is entitled to h.r.a. at the full rate even during the period he officiated as P.A. to R.L.A. provided the R.L.A. was also at Poona and Mr, Chaudhari's stay at Poona exceeded 4 months. The A.G. may be requested u.o. with reference to his "Further remarks" on p. 2 ante, to state whether he agrees with the view taken above, and if not why not. These papers may be referred u.o. to the A.G. through the L.D. that Deptt. being requested to state the exact position with reference to "A" above.

2. As regards the local allowance, rule 15 in Appx. XVIII should apply.

I do not think the word "establishments" used in rule 1 can be interpreded so as to include Gazetted Officers. In fact a perusal of the rules in the Appendix seems to show that such Officers are excluded from that term.

2. As the post of P.A. to the R.L.A. is a Gazetted one and as it is not specifically mentioned in rule 12, the Non holder cannot be regarded as eligible for the

for the concession of the house rent and local allowances admissible to the clerical establishments.

In the special circumstances of the case, however, this Dept. may agree to the proposal of the L.D. , in relaxation of rule 12.

Accompaniment to Government Resolution, Finance Department, No.4333/33, dated the 19th October 1942.

Copy of letter No. 807 Adm/95-39, dated the 15th August 1942, from the Auditor General of India, Simla, to the Accountant General, Bombay.

Subject: Procedure for payment of pay and allowances of Civil personnel under training in the Indian Territorial Force.

I have the honour to invite a reference to your letter No. C.II.-749, dated the 29th May 1939, on the subject mentioned above, and to state that under paragraph 177 of the Regulations of the Indian Territorial Force, Government servants who are members of Indian Territorial Force are normally entitled when called out or embodied for training to military pay and allowances at the rates admissible for the Indian Territorial Force; the difference, if any, between civil pay and military pay is admissible only in cases where a Department of the Government of India or its attached subordinate offices or a Provincial Government may have specially authorised the payment of such differences. Thus the military pay and allowances which are debitable to Defence Estimates are admissible to those Government servants as a matter of course and it is only in the process of dealing with the excess over the military pay and allowances that is payable in certain cases from the civil estimates that an overpayment can occur. In the circumstances it is necessary that the civil authorities should be kept informed from time to time of the military pay and allowances drawn by the persons concerned. For this purpose the following procedure is being introduced by the Defence Departments-

Every Government servant who is a member of the Indian Territorial Force will intimate to his Commanding Officer the designation of the Head of the office or department to which he belongs for the time being during the period of the enrolled service. Summons to military training or service of any kind will be issued by the Commanding Officer, through the head of the office, with copies to the Controller of Military Accounts concerned. After payment to the individual of whatever military pay and allowance are due to him, the Controller of Military Accounts will intimate periodically to the head of the office, in the case of non-gazetted Government servant, and to the audit officer, in the case of a gazetted officer, what remuneration and for what period, has been disbursed to the individual from Defence Estimates.

Relevant amendment to the Regulations for the Indian Territorial Force is under issue.

2. The civil audit officer, however, cannot deal adequately, with such cases unless he is informed immediately when a Government servant under his audit has been called up or embodied for training in the Indian Territorial Force, and becomes subject to the conditions of paragraph 177 of the Regulations for the Indian Territorial Force(1930) Consequently the head of the office or the department should communicate to this audit office the information received from the Commanding Officer or Controller of Military Accounts as soon as he received it so that the Audit Officer may know that the individual is to undergo military training or to serve in the Indian Territorial Force for a certain period. The Auditor-General therefore desires that arrangements should be made with the administrative authorities for the issue of the requisite instructions to heads of offices or departments in your jurisdictions if general orders for the supply of such information to the Audit Officer are not already in existence.

No. D.32-C.F

Government of India,
FINANCE DEPARTMENT

Simla, the 3rd October 1942.

From

B.K.Nehru, Esquire, I.C.S.,
Under Secretary to Government of India,

To

The Financial Secretaries of all Provincial Governments.

Subject:- Incidence of leave Salaries.

Sir,

I am directed to say that under the rules of allocation of leave salaries as at present in force the leave salary payable to a Government servant after the date of compulsory retirement is allocated between lending and borrowing Governments in the same manner as all other leave salary. The Government of India consider and the Auditor General concurs that when the whole of the leave at the credit of a Government servant on the date of compulsory retirement lapses under clause(a) of Fundamental Rule 86 or any other corresponding leave rule and no leave is carried forward on extension of service the more equitable rule would be that the Government which grants the extension of service should bear the entire charge for the leave salary earned during the extension and that any liability against a borrowing Government on that date as shown in the subsidiary leave account should be treated as automatically cancelled. Cases in which officers carry forward beyond the date of superannuation any leave refused may however, to the extent of the leave actually carried forward continue to be governed by the ordinary rules of allocation.

2. I am to enquire whether the Provincial Government are prepared to accept this view and to a consequent amendment of the rules contained in Part II of section 3 of Appendix 2 to the Treasury Code, Volume

(It is proposed that, if the Provincial Government agree, the charge for the leave salary earned after the date of compulsory retirement by Mr. J.E. Dhanvadkar, who was granted an extension of service by the Government of Bombay should be settled accordingly).

I have the honour to be,

I have the honour to be
Sir,

Your obedient Servant,

sd/ B.K.Nehru.

Under Secretary to the Government of India.

F.D. 7053/33/C
Finance Department.

The incidence of leave salaries of Govt. servants who have served under two or more Govts. is determined according to the rules in sec. II in App. 3-B of the Account Code, Vol.I(1940 Edn). There is no specific provision therein as regards incidence of leave salaries of Govt. servants after the date of compulsory retirement. The result is that the ordinary rules of allocation as above continue to apply after the date of retirement even though leave at the credit of a Govt. servant lapses. The Govt. of India has proposed that the Govt. which grants the extension of service should bear the entire charge for the leave salary earned during the extension and that liability against a borrowing Govt. on that date as shown in the subsidiary leave account should be treated as automatically cancelled. Where leave is refused before retirement and it is granted after the date of compulsory retirement thus involving an automatic extension the allocation of leave salary should be in accordance with the ordinary rules. The above proposals of the Govt. of India are reasonable. Before however a reply is sent to the Govt. of India, the L.D. may see and indicate the financial effect of the Govt. of India's proposal in its application to Mr. Dhurandhar's case. The L.D. may return the papers through the A.G. who may also see for remarks, if any.

2. This is a reference from F.D. re: Incidence of Leave Salaries. G of I, F.D. have enquired of all Financial Secretaries of Provl. Govt. whether they would agree to the view that the Govt. which grants the extension of service should bear the entire charge for the leave under salary earned during the extension and that any liability against a borrowing Govt. on that date as shown in the subsidiary leave account should be treated as cancelled.

3. The above proposal of the Govt. of India has been accepted as reasonable by the F.D. and the papers have been referred to this Deptt. to settle the charge for the leave salary earned after the date of compulsory retirement by Mr. J.R. Dhurandhar (Ex.Secy.L.D) who was granted extension of service.

4. Mr. Dhurandhar was to retire on 8th March when he attained the age of 55 years but he was granted an extension of service on public ground for a period of two years from 8th March 1939(Vide G.M.L.D.No.433,D/15-1-39)

5. Under F.R. 86(a) the leave at credit of Govt. servant in his leave account lapses on the date of compulsory retirement. The leave due to Mr. Dhurandhar lapsed on 8th March 1939, Under clause (b) of the said F.R.86, Mr. Dhurandhar therefore earned 2 months' leave during the period of his extension . The question of refusal of leave did not arise in his case as he did not apply for the same before the date of

compulsory retirement . He was granted 2 months's leave with effect from 8th January 1941 preparatory to retirement and during his leave period he drew leave salary of Rs.6,000/- According to the G. of I's present proposal the entire charges of Rs.6,000/- will have to be borne by Bombay Govt.

6. The papers may therefore be returned to F.D. through A.G. Bombay, as per F.D.U.R.
